- (a) Narendra was a soft Blue negotiator and always felt he was giving away too much in negotiations. His boss was particularly unhappy with his last deal, where Narendra agreed to give free servicing for three years to a new client. Although not catastrophic, it could end up costing the company as much as ₹100 000. Narendra's excuse, that he wanted to get the new client signed up and that maybe the company could negotiate a better deal next time, hadn't been received well. So Narendra had decided to change his negotiation style for the next negotiation – he was going to play Red and get the best deal possible, and not worry about the relationship at all. What is the best style to use during any negotiation and why?
- (b) Differentiate between the humanistic and behaviouristic approach to counseling with suitable examples.

5. Attempt any *one* part of the following: 10 x 1 = 10
